with the support of

THE ITALY in INDIA BUSINESS CONCLAVE

Mumbai, 1st November 2022, from 2.00pm

Concept: a 3 hour interaction with representatives of Italian companies in India and Indo-Italian JVs in strategic sectors followed by a buffet dinner reception. Initiative to be held in hybrid mode (online and in-person).

Date: Tuesday **1st November 2022**, from **2.00pm**

Location: Mumbai, VIVITALIA (interactive session) and St Regis Hotel (reception)

Objectives

1. to define the state-of-the-art of Indo-Italian trade and investments relations in strategic sectors
2. to identify critical areas of intervention for Italian institutions in India to support the operations of Indo-Italian companies
3. to celebrate more than 50 years of Indo-Italian business relations

Format

After the introductory remarks, the conclave will be developed on sector-specific sessions, wherein managers of Italian companies in India will share opportunities and challenges faced in the respective sectors and propose possible solutions to improve the business environment in their segment. To facilitate and ensure a speedy and effective exchange, IICCI will collect before the conclave relevant feedbacks from participating companies.

Focus sectors

1. Manufacturing (focus on machinery, automotive and auto-components)
2. Infra, construction and energy
3. Agro-industry and food-processing/packaging
