**ABOUT FEBI**

FEBI - The Federation of European Business in India is the official body representing the interests of the European Businesses in India. Because of the nature, responsibility, and recognition of FEBI, it has to maintain the highest standards, and their members be obliged to decorum when performing their activities in line with the organization of whom they wish to be a member. Consequently, the Company declares to FEBI:

- That execution and performance of the FEBI membership does not and shall not violate any provision the Company may have.
- That is in compliance in all respects with Indian laws.
- That is not involved in any action / other steps / legal proceedings started by or against it in any court of law / other authorities for its insolvency, bankruptcy, winding up, dissolution, administration or reorganization, or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer of the Company or of any or all of its assets.
- That there are no criminal proceedings instituted against the Company and/or any of its personnel.

We believe that your active participation in FEBI will not only benefit your business but also contribute to the strength and influence of the European business community in India. Once again, we extend our heartfelt thanks for your support and patience. We are looking forward to welcoming you as a valued member of FEBI.
