MACCHI STRENGTHENS ITS PRESENCE IN INDIA

MACCHI spa, Italy and ASHLING Innovation LLP, India have entered into strong collaboration.

Starting from October 2023, ASHLING is the new MACCHI representative for India, Bangladesh, Sri Lanka and Nepal region. Customers will now benefit from the combined expertise of the both the companies. The complementary product portfolios and the well-established ASHLING Sales & Service network in the region makes the partnership a perfect fit.

The two companies will focus on raising the MACCHI range of Blown Film Lines which offer integrated solutions for multiple industry requirements including Flexible Packaging, Agricultural film, Food Packaging, Collation Shrink Films, Wide Webs & Web Converting films.

The project Piattaforma India has been promoted by UCIMU – Association of Italian Machine Tools Manufacturers and AMAPLAST – Italian Plastics and Rubber Processing Machinery and Moulds Manufacturers Association. The two associations agreed on the idea that promoting a network of associations and entrepreneurs who have developed knowledge and experience on the Indian market, can be useful in favoring of new paths of development for business. The Indian companies who are interested to form JV, cooperation, technical tie up, purchase machinery etc from/with Italian companies can contact below mentioned address for any assistance:
