G.RAU AND MONZA CENTERLESS: MAXIMUM PRECISION FOR THE MEDICAL INDUSTRY

Centerless
Grinders

We met ppa. Dr. Jochen Ulmer, from G.RAU GmbH & Co. KG MED Business Unit Management, to talk about Monza Centerless grinding machines and how they're pushing the development of their innovative metal solutions. In this exclusive interview, Ulmer describes the continuous improvements to implement in their process and challenges to overcome to get the precision needed to satisfy their industry's customers: Monzesi has revealed to be invaluable partner, both in the development of custom grinding solutions and in the promptly support of our service team.

The project Piattaforma India has been promoted by UCIMU – Association of Italian Machine Tools Manufacturers and AMAPLAST – Italian Plastics and Rubber Processing Machinery and Moulds Manufacturers Association. The two associations agreed on the idea that promoting a network of associations and entrepreneurs who have developed knowledge and experience on the Indian market, can be useful in favoring of new paths of development for business. The Indian companies who are interested to form JV, cooperation, technical tie up, purchase machinery etc from/with Italian companies can contact below mentioned address for any assistance:
