EUROPEAN ALLIANCE FOR NORTH AMERICAN THERMOFORMING

Four leading European companies in their respective fields have formed a technical alliance to provide integrated solutions and support to synergically address the North American plastic thermoforming packaging market.

The alliance, called IFS-Integrated Forming Solutions, is based in Houston, Texas, and includes Italy's MacDue Impianti and T2, the former specialising in industrial automation and the latter in thermoforming machines and tooling; Switzerland's WM Thermoforming Machines, a manufacturer of thermoforming machines, and Spain's Ausil Systems, a supplier of in-line vision systems.

The project Piattaforma India has been promoted by UCIMU – Association of Italian Machine Tools Manufacturers and AMAPLAST – Italian Plastics and Rubber Processing Machinery and Moulds Manufacturers Association. The two associations agreed on the idea that promoting a network of associations and entrepreneurs who have developed knowledge and experience on the Indian market, can be useful in favoring of new paths of development for business. The Indian companies who are interested to form JV, cooperation, technical tie up, purchase machinery etc from/with Italian companies can contact below mentioned address for any assistance:
