**Would you like to follow up the online meetings?
We'll take care of organising *YOUR BUSINESS TRIP***

Promos Italia, the National Agency of the Chamber of Commerce Network brings the most active operators directly to companies' doorsteps through a customised program of company visits throughout Italy.

This opportunity is reserved for those operators who will make a **good number of appointments** on the BMATCH platform **during the InBuyer events**.

As soon as the online business matching event you attended is over, please **fill in the survey** you'll receive by email. You'll be required to specify **at least 5 of the companies** you met online that could become your business partners.

We will give you the opportunity to come to Italy and visit them!

First, please answer these two simple questions

- Would you be interested in coming to Italy and visiting the companies you met online?

Yes

No

- When would you be available to travel? (Please specify the preferred week)

September _____

October _____

November _____

December (2-6) _____

I'm available in 2025

Please note the visits will be carried out preferably **by the end of the year**, according to the above availability.

Board, lodging and transportation will be organised and offered **by Promos Italia and the local Chamber of Commerce**.

Thanks for your time!
